

Molly's Gift Grant Criteria December 2022

Molly's Gift is a charity set up in honour of Loughborough Foxes Vixens captain, Molly Webb, who sadly passed away on 6th January 2019, at just 25 years old. Our charity aims to support local children & young people that face adversity. One of the ways in which we do this is through our small grants, whereby we provide funding opportunities for Children and Young People to support them with being active and having the same opportunities as their peers.

We hope that each approved grant enables children and young people from all walks of life to further pursue their sporting talent and participation. Whether this be through one off activities, to purchase equipment or pay for facilities. Ultimately, funds can support local sports / physical activity clubs, primary schools, community projects. We also fund individuals through applications to simply support them to smile through being active. Molly worked as a sports co-ordinator in primary schools and enjoyed coaching the Loughborough Foxes Girls Football Junior teams in her spare time. Her passion lay in encouraging children to take part and enjoy sport/physical activity and would never allow ability or lack of opportunity to obstruct their progressions. Molly was a role model and inspiration to the children she worked with and our charity allows her legacy to live on.
