The Disability Games 2024

Competitors can take part independently or with the help of a carer or family member. Each team will need to allocate a Team Manager that will be responsible for coordinating their competitors on the day and ensuring they reach their chosen events at the specified time.

Lunch will be provided for all competitors and their carers. A complimentary, re-usable water bottle will be provided to each competitor, to ensure they stay hydrated.

A T-shirt and medallion will be presented to all those taking part in activities. Winners from each sporting activity will receive a trophy at the presentation event.
