

The Boing Virtual Coaching Course

Are you a coach or volunteer working with children anywhere they are being active?

The Boing principles and resources can improve your coaching in your clubs and community groups.

Learn how to use them, and share them with others, on our Virtual Coaching Course.

www.boingkids.co.uk/virtual-course

What you'll learn

1. Get to know some of the 120+ Boing play games that are free to use.
2. Explore the Boing coaching principles and how to apply them.
3. Learn the power of play to excite and engage children.
4. Get to grips with the importance of physical literacy.
