Provider Support Workshop

- We received training workshop feedback from 6 providers.
- 6/6 attendees rated the HAF standards and food standards sections of the workshop 'Excellent' or 'Good'.
- 6/6 attendees responded 'Strongly agree' or 'Agree' to the statements: It was easy to book a place and content was relevant.
- When asked how likely it was for them to recommend this workshop to a colleague 3/6 voted 10 [extremely likely].

Quality Assurance Visits

- **Quality assurance visits were undertaken with 10 new HAF providers over Easter.**
- At 10/10 settings a meal was being provided that met healthy food standards and took allergies/ dietary requirements/ religious and cultural requirements into account.
- At 8/10 sessions nutritional education activities and advice were available and at 9/10 sessions they were appropriate and engaging.
- At 4/10 sessions food education activities and advice were available for families.
- At 10/10 sessions age appropriate and engaging enriching activities were offered.
- At 10/10 sessions physical activities were being provided and all of these met physical activity guidelines of 60 minutes a day.
- At 7/10 sessions families were provided with information, signposting and referrals to other services.

Number of providers rated 'Good' or 'Excellent' in meeting each of the HAF standards (shown in green):

Children and Young People Feedback

- We received CYP voice feedback from 6 Easter HAF settings.

93/110

children answered 'Yes' to 'Are you enjoying the holiday programme?'.

14 responded with 'Not Sure' and 3 with 'No'.

- The word cloud to the left summarises the most common words used in answer to 'What have you enjoyed about the holiday club?' the top answers were: Fun [19], Food [17] and Friends [10].

Provider Feedback

- We received provider feedback from 13 providers.
- All 13 providers stated that they would apply for HAF funding again in the future.
- Common highlights were; seeing the children together and engaging in the activities and eating healthy food.
- Common challenges mentioned were; difficulty advertising spaces, promoting the camps and engaging families.

Please rate the following aspects...

Parent/Carer Feedback

Please rate the following aspects of your child's holiday club:

Booking process

Choice of activities available

Choice of foods available

- When asked how likely they were to recommend this holiday club to a friend or family member on a scale of [0-10, 10 being extremely likely], 10/11 rated 10 and 1/11 voted 9.
