

Ofsted Inspections & the Primary PE and Sport Premium

Outlined below are extracts from the Ofsted Section 5 handbook which identify key areas that inspectors should ask schools about the Primary PE and Sport Premium. The next major change of the handbook is anticipated to be in 2019.

Inspectors should check:

- How effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this.

And specifically - that Governors:

- Ensure that the school's finances are properly managed and can evaluate how the school is using the Pupil Premium, Year 7 Literacy and Numeracy Catch-Up Premium, Primary PE and Sport Premium and Special Educational Needs funding.

The Outstanding criteria states that:

- Governors systematically challenge senior leaders so that the effective deployment of staff and resources, including the Pupil Premium and the Primary PE and Sport Premium secure excellent outcomes for pupils.
- Governors do not shy away from challenging leaders about variations in outcomes for pupil groups and between disadvantaged and other pupils nationally.
