

# LEICESTER, LEICESTERSHIRE & RUTLAND CHILDREN & YOUNG PEOPLE MENTAL HEALTH SERVICE INFORMATION FOR PROFESSIONALS

**MENTAL HEALTH DISORDERS AFFECT  
1 IN 8 CHILDREN AND YOUNG PEOPLE  
IN ENGLAND**

# INTRODUCTION

Dear Colleague

The purpose of this guide is to support professionals to consider a choice of support available to access emotional, mental health and wellbeing services across Leicester, Leicestershire and Rutland for the children, young people and families you work with.

These services offer a range of high level, moderate and low level emotional, mental health interventions and support including, information, advice and self-help to support children, young people and families. Wherever you work, Leicester, Leicestershire or Rutland, all children and young people can be referred to these services. Some services have dedicated numbers to contact for each area and these have been added.

I hope you find the information useful and whilst it's not an exhaustive list of services, it will provide an insight into the wide range of services available and how to access them. I hope you will be able to put this on your organisational website for ease of access by professionals.

# ACCESSING HELP IN SCHOOL

## **PUBLIC HEALTH SCHOOL NURSING TEAMS**

Once a child starts school, the school nurses take over the care from the health visitor. The school nurses are responsible for looking after the health of children whilst they are in school, from 5-19 Yrs.

When a child is in reception year, they will be offered a growth measurement as part of the National Child Measurement Programme, a hearing test by the audiology team and a nasal flu vaccination.

These are some of the things the school nurses support parents and children with; Behaviour, Contenance, Physical Health, Emotional Health, Parenting Advice, Healthy Lifestyles

[Access to school Nurses— In school or by phone text messaging - Healthy Together Programme](#)

## **SENCO**

If a child has a condition or impairment, they can get extra support and adjustments at school.

This is called Special Educational Needs (SEN) support.

- If they find it harder to learn than other children their age
- They have a condition which means their school or the way they are taught is not accessible to them

There are several education support services for children with special educational needs and their families. These include hearing and visual support as well as help with mental and emotional health issues. Further information can be found on the links for each Local Authority area below.
