LEICESTER-SHIRE & RUTLAND SCHOOL GAMES PARALYMPIC FESTIVAL

Thursday 25th April 2024

Welcome to the School Games Paralympic Festival

The event is specifically tailored for young people with SEN or disabilities across Leicestershire, Leicester and Rutland, and will consist of several competitive County Finals in Sportshall Athletics, Boccia and New Age Kurling, as well as a participation Inspire Carousel.

New for this year, having identified a gap in provision through local insight data, we have also introduced several activities specifically targeting young people with a Vision Impairment. These expertly adapted activities will provide a great opportunity for vision impaired pupils to try new sports, in-addition to providing staff CPD and potential talent ID/pathways to local community clubs and beyond.
